

TSA Alien Flight Student Program

Citizenship

You must:

- Verify citizenship of anyone requesting flight training
 - Flight training does not include periodic, recurrent training required by the FARs such as
 - Flight reviews
 - Instrument proficiency checks
- Document the verification by either
 - Keeping a copy of the document proving citizenship for 5 years, or
 - Making the following logbook entry in the student and your logbooks:

"I certify that [insert student's full name] has presented to me a [insert type of document presented, such as U.S. birth certificate or U.S. passport, and the relevant control or sequential number on the document, if any] establishing that [he or she] is a U.S. citizen or national in accordance with 49 CFR 1552.3(h). [Insert date and instructor's signature and CFI number.]"

If the person is a US citizen, you may begin training immediately.

Training in Light Aircraft that Requires TSA Approval

Aliens who desire training leading to:

- Any first FAA certificate
- Any first FAA instrument rating
- Any first FAA multiengine rating

To Provide Training to Aliens

You must:

- Register with TSA to provide training
 - www.flightschoolcandidates.gov
- Verify the person is going to train with you
- Validate the person's application data
- Wait for TSA's "Permission to initiate training"
- Take a photo of the student on the first day of flight training and submit it to the TSA

Security Awareness Training

You must receive:

- Initial TSA Security Awareness Training
 - Within 60 days of being hired
- Recurrent yearly training
 - In the same month you completed initial training
